

Welcome

COLLEGE DISTRICT AREA ACTION PLAN PUBLIC WORKSHOP

Help us develop goals and action steps for a long-range plan to transform the area.

What is an Area Action Plan?

An Area Action Plan focuses on connecting various planning efforts related to a specific area, such as parks and recreation, flood recovery, pedestrians, and trails.

The plan will identify specific actions needed to address issues and make improvements.

Next Steps

August 2017

Publish results from Workshop

October 2017

1st Open House: Report on what we heard. Share draft goals and action steps, and collect feedback

Spring/Summer 2018

2nd Open House: Present final goals and action steps

Fall 2018

Plan adoption
